Notes

Exam sessions

Please note that not all subjects and levels are offered in each exam series. Check the availability on the official timetables of the exam board.

Further exam fees

Further fees apply in case of late registration (after entry deadline), consultations, cancellations, practicals and access arrangements.

Access arrangements

If you previously have been approved for access arrangements, please let us know. Supporting documentation is expected. If you would like to apply for access arrangements, please note that the application must be made several months before an exam entry deadline. For further information, please contact the exams office.

Exam entry cancellation

A fee of CHF 150 per subject per level will be charged for withdrawal until the centre entry deadline. After the entry deadline, there is no refund.

Centre policies

Centre policies refer to the instructions for the safe administration and conduct of examinations at Academia Schools. By registering with us, you agree to abide by the centre's policies. Academia Schools reserves the right to withdraw your entry with immediate effect in the event of any behaviour, circumstance or situation which would make the continuation of this process unreasonable for Academia Schools.

Communication

Your statement of entry, instructions for examination days, and results will be sent to your e-mail. Reading through and understanding these e-mails is fundamental to a successful exam series.

The UCI (unique candidate identifier)

Your UCI is needed so that all your entries are made under this number. This will allow the exam board to put all of your marks together. If you have already sat examinations, you have a UCI. If you have not sat examinations before, Academia International School will assign it to you.

Photo identification and exam ID

For all examinations taken at Academia International School, you must bring a photo identification (ID, passport, driver's license) to present to the invigilator. On the exam day, you will find your assigned Academia ID on your desk.
